The screenshot shows the STOCKS PLASMID interface. On the left is a sidebar with a menu: CONSUMABLES, Antibody, Chemical, Plasmid (selected), Oligo, Enzyme, Protein, Media/Buffer, Slide, and Other. The main area has a header with 'CONSUMABLES' and 'PLASMID' tabs, a search bar, and a filter icon. Below the header is a table with columns: Name, Created, Code, Status, Antibiotic Resistance, and Stock locations. The 'Name' column has a filter icon (a funnel with a red 'X') and a red box around it. The 'Antibiotic Resistance' column has a filter icon (a funnel) and a red box around it. The 'Stock locations' column has a filter icon (a funnel) and a red box around it. The table contains 10 rows of data. The first row is highlighted. The filter icon in the 'Name' column is labeled 'Drop all active column filters'. The filter icon in the 'Antibiotic Resistance' column is labeled 'Indicates active column filter'. The filter icon in the 'Stock locations' column is labeled 'Number of active column filters'.

The screenshot displays the EMBL EM Grid interface. At the top, there's a search bar and a table of items. The table has columns: Name, Catalogue #, Base Material, Mesh, Hole Geometry, Support Film, and Additional Film. Three items are selected, indicated by checkboxes and a red box around the table header. Below the table, there are three modal windows:

- Batch Edit Items:** This window allows editing attributes and annotations for the selected items. It includes a dropdown for "Attribute" and buttons for "Operation" (Replace, Add, Remove). A red box highlights the "Attribute" dropdown, and a red arrow points to it from the table. The text "Attributes & Annotations" is written in red below the window.
- Share Items:** This window allows sharing the selected items. It includes a dropdown for "Access" and buttons for "Operation" (Set public access, Revoke public access). A red box highlights the "Access" dropdown, and a red arrow points to it from the table. The text "Add & Revoke" is written in red below the window.
- Please confirm:** This window asks for confirmation to delete the selected items. It includes a "Yes, delete" button and a "Cancel" button. A red arrow points to it from the table.

The table data is as follows:
